

Ector ISD Medication Form

If possible, medication should be given by the parent and taken at home.

If it is necessary for a student to take medication during the school day and parent is not available to administer, the school may assume responsibility for dispensing the medication in accordance with the following guidelines.

- The medication must be sent in its original container with the proper label.
- The parent/guardian of the student must assume responsibility of informing school personnel of any change in the student's health or change in medication.
- Medication, oral or otherwise, not specifically requested and authorized by the parent, guardian and/or physician in accordance with the preceding procedure shall not be administered by school personnel.
- The only exception shall be those cases involving emergency first aid measures necessary to protect the health and safety of the student in case of accident or injury.
